USAGI -SAMA
MAMEZOU!
GOEMON!
Kwa ah

ARE YOU WILLING TO DO WHAT I ASK NOW?

I DON'T WANT TO MAKE A POISON TO KILL!
POISON?
IF THAT'S THE WAY IT IS, THEN YOU LEAVE ME WITH NO CHOICE
NO— USAGI-SAMA!
LET'S START BY KILLING MY BLACK ANGEL....
STOP IT!

LET BOTH OF THEM GO!
I'LL MAKE IT!
AT LEAST LET MAMEZOU DOWN! HE'S MY ASSISTANT
THEN..
Waa
USAGI, DON'T LISTEN TO HIM!
I CAN'T LET THEM DOWN UNTIL YOU MAKE IT.
Now I can send Mamezou to get help
I'M SO SCARED ~~
MAME-ZOU!
USAGI-SAMA ~

Now we can't call for help
USAGI!
DON'T WORRY ABOUT ME, TAKE MAMEZOU AND ESCAPE!
I CAN'T LEAVE GOEMON ON YOUR OWN AND RUN AWAY BY MYSELF!
I WON'T RUN!

HIKARU...
IF YOU DARE TOUCH USAGI, I WILL KILL YOU!
YOU CAN'T KILL ME.

THERE IS A VERY THIN LINE THAT SEPARATES MEDICINE FROM POISON...
I WILL.
are you really going to make the poison? Usagi-sama,
Ah... Usagi, what are you planning to do with that kimikageso?
Don't bully Shiro.
Kimikage soll is a poisonous herb.
Kora, Shiro, get running!
Uweeh
I picked it because it was really pretty...
I won't bother with it
If you're going to make it, test it on yourself first
The obaa-san next door has chest illness, so I was going to try using that herb to make medicine...
ehh~
Poisonous?
However, in small doses, it is very effective treatment for chest illnesses, so you must be very careful when working with herbs like that
Lick Lick

She even gave me some snacks!
Trot
Trot
The obaa-san next door recovered-
Great-grand father
Listen, Usagi,
Trial drink
If you want to understand Medicine, you must inherit the wisdom of our ancestors.
And with that wisdom as your foundation, you must test on your own body in order to create suitable Medicine.
Uuuh~ I drink too much
Ueeh
Usagi, don't die!
He's dead
Shiro ...
What happened?
He seems to have drunk the water the kumikageso was in.
He was just running around so energetically earlier!
How?
The kumikageso !!
Didn't I tell you not to pick the kumikageso?!
What would happen if young MameZou drank it by accident!

I'm sorry...
I'm sorry Shuro!
Shiro sacrificed himself to warn Iga of the dangers of poisonous weeds!
The poison that I make
Will assist in killing someone
Or Goemon will be killed.
Ischk
Ischk
But, I have to do this
SO THAT'S IGA'S HERBALIST...?

THAT CHILD...
OYAKATA-SAMA
WHAT DO WE DO WITH HER AFTER THE POISON IS FINISHED?
ONCE WE FIND OUT THE INGREDIENTS, SHE'LL BE OF NO USE.
